Architect:

McMillan Smith & Partners

Contract amount:

\$2,183,461

Size:

13,000 SF New

Addition Construction

5,400 SF Historic Renovation

Project Scope:

This project encompassed new construction attached to an existing early 1900's home. The new portion was constructed to conform to many of the architectural details of the existing structure. The existing home was historically renovated for use as offices and support areas for the organization. The new addition included a 4,000 SF commercial kitchen, 5,000 SF storage area and 4 coolers to accommodate storage of donated foods. Such materials as exterior wood cornice, brick, limestone, clay roof tile, quarry tile, hardwood flooring and plaster were utilized in the historic renovation.
