

Greenville Technical College—Resource Center

Greenville, SC

Architect:
Enwright & Associates

Greenville, SC

Contract amount: \$4,455,600

Size: 52,000 SF New Construction
Education Facility/Library

Project Scope:

This project is a multi-level facility housing the college library, computer labs, auditorium, television studio for production, as well as various education and administrative offices. Wonderful architectural details are displayed throughout the facility. Anchored Copper Roofing and Barrel Vaulted Ceilings are a few unique details that place this facility on a level by itself.
